## CHARACTER OF SCROOGE PORTRAYED FOR SCHOOL

FAMOUS BIT FROM DICKENS'  
CHRISTMAS CAROL BY  
DRAMATIC READER

Elmer Marshall, dramatic reader and impersonator from Indiana Central College entertained the high school, 7th and 8th grades and 5th and 6th grades, with his readings, Wednesday morning.

The Christmas Carol was one of the selections most appreciated and everyone enjoyed the portrayal of the character, Ebenezer Scrooge, and watched with interest his development from a mean, selfish nature to one of sympathy and love.

## MANY PATRONS ATTEND MEETING OF P. T. A.

VARIED AND INTERESTING  
PROGRAM AT SCHOOLHOUSE  
LAST FRIDAY NIGHT

The parent-teachers meeting held at the school building, Friday night, November 2nd, was pronounced by both patrons and teachers a great meeting.

The high school assembly room was filled with patrons to hear the program. The program was as follows:

Music by 7th and 8th grades under the direction of Mr. Caylor.

"How the patrons can co-operate with the teachers", Mr. Long.

"How the patrons can co-operate with the patrons", Rev. Borders.

Song by Mr. Caylor.  
In closing Prin. Chester Quar set forth some of the ideals which Fishers School stands for and is trying to promote.

After the meeting, sandwiches, hot chocolate and coffee were served and a social good time was held.

## Recently Married Couple Surprised in New Home

The families and friends of Mr. and Mrs. Jacob Krause gathered at the home about three miles north of Fishers, Monday evening, November 5th, and spent a very enjoyable evening.

Mrs. Krause was, before her marriage, Mrs. Lucinda Fitzgerald. The marriage took place, October, 31st, at the M. E. parsonage, by Rev. Boeders. The many friends of this union wish them great joy.

## "I Wonder"

Where Donald Hollenback got his new sweater?

If everybody had a good time at the school building, October 29th.

Who Fishers High School basket ball team will be second semester?

If Norvin Beaver and Byron Clark intend to be music teachers after they get out of school.

If Paul Seigmond curls his hair?

When Robert Johnson became Mechanic?

Why all the faculty of Fishers High School wear glasses?

If Perry Central boys will get lost on our new floor, November 9th.

What the boys of Fishers High School are up to?

Why Miss Folsom looked out the window, Friday night?

Why the pupils of Fishers High do not sing?

Why Joe Johnson was not at school Friday?

What made Addison Harrison look so white, Friday evening.

What was the matter with Byron, Friday night.

If the school will have enough energy to give a yell, Friday night?

If Mary Edith and Wilma will ever bob their hair?

Where Nina gets all of her History material?

How many blow outs Bob Abney had?

What Mr. Quar wants with a couple 50 gallon vinegar barrels.

If Edgar Frazier will ever outgrow his childishness?

If Addison Harrison will be a good athlete?

Why Fisher's girls can't organize a basket ball team?

## BUTTER MAKERS WIN GAME FROM FISHERS

(Special from Muncie Star)

A spurt in the last four minutes gave the Meadow Golds a 28 to 18 win of the Fishers Red Arrows team at the "Y." Until that time it was anybody's game, with the visitors showing a spurt early in the second half that boded ill for the Butter Makers, but the Red Arrows players could not keep up the pace. It was only the second game of the season for the Fishers team, which explains for their late slump.

Saffer was the big Cog in the Meadow Golds rally. The husky center was taken out for a few minutes rest in the second half and when he returned to the floor he shot four goals in rather rapid order, at least two of them being of the thriller variety. Shod Warren who also made four field goals, furnished the sensational however when he dropped a beautiful shot through from the foul line at the opposite end of the floor.

Clauson led the Fishers attack with five field goals. This lanky player towered over the others and shot over their heads. The visitors had a good passing game—exceptionally good for the second game of the season—and they were one of the cleanest and best mannered clubs that ever played here.

The Meadow Golds scored two field goals at the start, but from then on it was a neck and neck affair, with the Muncie team just keeping the edge. The Meadow Golds led at the half, 12 to 10. Fishers spurred after the intermission and led, 16 to 12, when the winning rally started. The Muncie guarding was airtight during the final moments and smothered all efforts of the visitors.

Lineup and Summary:  
Meadow Golds            Fishers  
Williams Forward      Butz-Klepfer  
Uiery                      Clauston

## HALLOWE'EN SOCIAL AT SCHOOL HOUSE SUCCESS

On October the 29th, Fishers School gave a Hallowe'en social at the school building. People were charged admission according to their masks in order to make everyone mask well.

The early part of the evening was spent in much excitement by guessing who the masked ones were. When several had arrived the masked ones were lined up and marched around the room. The three judges, who were John Dodd, Mr. Seymour and Mr. Butz picked out the best looking couple. Mary Edith Hamble and Wilma Brizendine received the first prize and the second prize was given to Mrs. Anna Castetter and her daughter, Jessie Ringer.

The berry pie eating contest was entered by Robert Abney and Arthur Whitacre, Ralph Blackford and Bill Mowry. Robert and Arthur were the winners of the contest. A number of candy marches followed in which seven boxes of candy were given away.

Among other entertainments were fortune telling and several shows such as, a man with his feet where his head ought to be. The Sophomores had a booth where one could throw and hit the man behind the curtains. Cider, sandwiches, pop-corn, cracker-jack and candy was sold. The social was very successful, although the weather was unpleasant, and everybody enjoyed themselves.

Mabel Gray, of Indianapolis, spent Sunday with Minnie Johnson.

Mrs. John Borders is visiting her mother, Mrs. Myers, of Anderson.

Paul Butz left Monday morning for Indianapolis to attend Lanes Business College.

## LETTERS FROM GRADS SHOW APPRECIATION

EX-STUDENTS GLAD TO GET THE  
"COMMUNICATOR" THEIR  
LETTERS SHOW

The school and faculty were much interested in the following letters and feel that other readers of the Communicator will be glad to read them. Therefore we are taking the liberty of publishing some of them.

Please find enclosed herewith, amount necessary to enroll me as a subscriber to the "Communicator". Am glad you called this to my attention in your letter of the 17th, for I am confident I shall get a great deal of pleasure reading a paper compiled and published by Fishers High School—my High School of twenty-seven years ago, the first graduating class.

With kindest regards to you and best wishes for the success of not only the "Communicator" but of the school proper, I am,  
Very truly yours,  
E. F. KEPNER  
Indianapolis.

Class of 1896.

I received a copy of the school paper and to say that I was pleased expresses it very mildly.

I wish to compliment you upon the appearance and the manner in which this paper is gotten up.

It sure does seem good to get word from the old town, especially regarding the school, even though I have been away for several years.

I am enclosing my check for a subscription and shall look forward, with great pleasure, to receiving this regularly each month.

I note that you state that you would like to publish the names of all the subscribers in your next issue, if possible, and as a suggestion only, I think it would give a great pleasure and a "get together" feeling if it would be possible to include with these names the address of each subscriber, and that way in reading the edition we would all be together in spirit, if not physically.

Thanking you for your interest in looking up and endeavoring to keep together the alumni, I am  
Sincerely yours,  
G. H. CONNER  
R. R. 10  
Spokane, Wash.

I am certainly pleased to know that you have started a school paper. It is a great medium in which to create a greater interest of the public toward the school and forms a closer relationship between the faculty, students, parents and alumni. Naturally, every graduate is interested in his Alma Mater and anxious to know all the news.

Please find enclosed a money order for "The Communicator" for one term.

Very respectfully,  
MELVIN D. SNEAD  
Indianapolis

I received a copy of your school paper, "The Communicator" yesterday and am hastening to get my name and that of my brother on the honor roll. I have read every word of the paper and am glad that Fishers can publish so fine a school paper. It is the first in the history of the school, if I remember correctly.

Was interested in the Ford and Packard race but was not surprised to learn that the Ford won because you know "they always ramble right along".

Please send one copy to Mrs. Leo Ralya, Lapel, Indiana and one copy to G. H. Conner, Spokane, Wash., R.10. Wishing the best for your paper and school,

I am truly,  
MARIE RALYA  
Lapel, Ind.

Please accept my subscription for the Fishers School paper. I want to compliment you on being able to put out such a wonderful paper in a school the size of Fishers. I appreciate the opportunity of being able to get real facts from a school I once attended.

Very truly yours,  
FRED A. KEESLING  
Lawrence, Ind.

Walter Nance is visiting his parents Mr. and Mrs. John Nance.

## FORTVILLE BASKET BALL TEAM LOSERS

The Fishers seventh and eighth grades basket ball team opened the season at Fortville, defeating the Junior High School in a close game by the score of 7 to 8. The feature of the game was the fine team work of the Fishers five. The next game will be Friday, Nov. 9, with the strong Junior High team of Perry Central.

## Zion Sunday School Class Entertains on Hallowe'en

The Willing Workes Class of Zion, gave a Hallowe'en party at the home of Mr. and Mrs. Blackson, Tuesday night, Oct. 30th. The party was largely attended. Most of the people came masked.

Refreshments of cider and sandwiches were served. The rest of the evening was spent by music on the piano and contests.

## R. E. HAROLD GYM WAS DEDICATED THURSDAY

The basket ball game with Castleton, Thursday night, at the dedication of the new R. E. Harold gymnasium was one to keep the pulses pumping.

The last minute punch of the locals in the overtime period was the big factor in winning the game. The local lads had but one practice session before the game, which was the night before but nevertheless all showed class and it is expected before the season ends they will be very hard to beat.

The Castleton boys played a clean fast game of ball due to their three weeks practice together and came very near giving our boys a trimming by the unusual shots by Hinshaw and Mason.

The game was clean and fast, from start to finish and kept the spectators on their toes from one whistle to the next.

Fishers drew first blood by a field goal and then Castleton run up the score of six to two. Coach Butz then started substituting to find the right combination and the men run the score up even. Castleton made a foul and the Red Arrows another field goal and the half ended 8 to 7 in favor of the Arrows.

In the last half as in the first the score surged back and forth and when the final whistle blew the score was 24 all.

It was in the five minute overtime period when the crowd was up in the air that Castleton scored first, making the total 26 to 24. Then the Arrows made a basket evening the count.

Castleton again made a basket and Fishers a foul. Fishers scored again in quick succession and the whistle blew. Fishers, 29; Castleton, 28.

Every man in the Red Arrow crew was used in last night's game and every one gave a good account of himself.

One good factor of the team is that they are ex-Fishers High School players. Clawson graduated in 19. G. Tate, in 20. Klepfer, in 21. R. Tate, Emery and Smith in 22, and Rose, Lowery and Butz in 23.

## Rev. Borders Speaks

The high school was again favored with an interesting talk by Rev. Borders. He told of an odd old clock found in England. It formerly had been the custom to put a motto on a clock when it was finished. This particular clock was being made for a town in England. When the maker went to the committee for the motto they were busy and gave him this reply: "Go on and mind your business." To their surprise the words were found on the clock.

Rev. Borders emphasized the fact that in any activity of life if success is to be attained one must attend to the business in hand.

No student will master geometry with basket ball on his mind, and no successful athlete allows anything except the game to enter his mind.

It is concentration on the thing in hand that wins success.

Paul Fesmire left for California, Thursday.

Mrs. S. L. Whitesell called on her sister Mrs. Floyd Beaver, Monday afternoon.

## FORDS' DRIVE WITH PACKARDS PLEASANT

SUPPOSED RIDE ENDS IN WOODS  
WITH FIRE, WEINIES AND  
MARSHMALLOWS

The Packards, who were defeated by the Fords in the contest of selling subscriptions for the Country Gentleman and the Communicator, showed the Fords a good time.

A week or two ago Mr. Long called a meeting of the Packards to see about getting supplies and this aroused the Fords' curiosity concerning what was going to happen but as the Packards kept still they soon forgot about it. Tuesday October 23, Jack Ohler, who was chauffeur of the Packards seemed to have lots of business and that evening Mr. Long came in and said that the Packards needed a new tire and all that were going to help get it to bring money, Wednesday. He also said for the Fords not to make any other arrangements for Wednesday night for if it was a nice night the Packards were going for a drive and wanted the Fords to go with them.

Wednesday morning looked very rainy and about noon it began to rain and rained all afternoon and evening so the Packards postponed their drive until the first of the week.

We found Monday to be a cool day but fearing they could get no better the Packards decided to drive Monday night to Frank Howe's woods. Everyone was to be there at seven. When all had arrived, we went over in the woods and the boys began getting wood. It was a good entertainment to see some of the boys chop wood. They acted as if they hadn't had much practice. Then everybody began to look for a long stick on which to roast their weiners. We had weiner sandwiches and pickles with cider to wash them down. When all the weiners had been roasted, they decided to roast marshmallows before the fire got too low. Some would hold the marshmallows over the fire and they would catch on fire. Then when they took their sticks away from the fire they didn't have any marshmallows.

After all had been roasted, we began playing games, and although it was a cool night with the fire and playing the games everyone was able to keep comfortable and we can all say that we had a very good time.

## HIGHLAND SCHOOL AGRICULTURAL FAIR

The pupils and teacher of Highland school had an agriculture fair, Friday. It was enjoyed by the patrons as well as by the school. It was an excellent fair for their first experience. They are all looking forward to a much larger fair next year.

## EASTERN STAR PLAY GIVEN IN NOAH'S ARK

A Hallowe'en party was given at Noah's Ark, October 30th, by the Eastern Star Lodge. There was a large crowd, some were masked and others were not. Those who were not masked were charged ten cents admission.

The ones who were masked were placed in a line and marched around the room to be judged by the three judges who were Chester Quar, Mrs. Allen and Mr. Flanagan. A prize was given for the most ridiculous person, the best looking and the most comical person. The best looking was Miss Dolores Tate, the most ridiculous was Craig Klepfer and the most comical was Rev. Borders.

The program consisted of music furnished by home talent and a play performed by the members of the Star. A reading was given by Clarence Castetter, a reading by A. P. Butz and a musical reading by Mr. Clark. Games were played and lunch was served consisting of sandwiches, lunch rolls and sweet cider.

The Fishers School wishes to express its thanks to Harry Griffy, of the Fishers Lumber Company for his kindness in lending his instruments to the orchestra. Mr. Griffy has a set of orchestra bells which he has kindly offered for the use of the orchestra.

 BRONZE CORN MEDALS**

Worth Hiatt, of Jackson township,  
 and Walter Sturdevant, of Washing-  
 ton township, will be awarded bronze  
 medals in the five acre corn yield con-  
 test some time this winter. The re-  
 sults of the contest in this county  
 were announced Saturday morning.  
 There were six contestants original-  
 ly, but two of these dropped out be-  
 fore the finals. Al Kinzer hogged  
 down his corn and Earl Parker put  
 his into the silo.  
 The field of William Newby averaged  
 60 bushels, while that of Lewis Huber  
 made 55 bushels. The fields of Hiatt  
 and Sturdevant each averaged between  
 75 and 80 bushels.

**Church Notes**

Next Sunday night, November 11th,  
 will be observed as "School Night" at  
 the local church. The pastor will  
 preach on the subject, "Christian  
 Education", and all teachers, pupils,  
 and patrons are invited to be pres-  
 ent. Sections will be reserved for  
 the pupils of the grades and of the  
 high school.

Special observance will be made  
 this year of the churches' "Good Liter-  
 ature Day", Nov. 18th. The pastor  
 will preach in the evening upon "The  
 Value of Good Reading". All are in-  
 vited to attend.

A special Missionary and Evange-  
 listic service was held last month at  
 the Fishers church. The members of  
 the three churches which make up  
 the Fishers Circuit, met at the school  
 house, where they enjoyed a chicken  
 supper, followed by talks upon the  
 missionary problems in foreign and  
 home fields. Following the supper an  
 evangelistic service was held at the  
 church. One hundred and fifty-two  
 persons were present. This gave Fish-  
 ers first place in the record of attend-  
 ance at the meetings held in the seven  
 churches of the Noblesville group.

Revival services start at Zion  
 church, Monday night, November 19  
 and will continue for three weeks.  
 The pastor will be assisted in these  
 meetings by Rev. Collier, pastor of  
 the Ninth Street church, at Nobles-  
 ville.

A delegation of thirty from the lo-  
 cal church attended the revival meet-  
 ings which are being conducted at  
 Hortonville, by Rev. J. O. Powell, who  
 had such a successful meeting at this  
 place several years ago.

The Woman's Foreign Missionary  
 Society met at the home of Grandma  
 Klepfer, Tuesday afternoon. Plans  
 were completed for taking care of  
 the winter's program of activities and  
 for the raising of local finances.

 The boys did exceptionally well for  
 they had had no practice on a floor  
 this year. All the practice they got  
 was on the school lawn. But the  
 gymnasium is finished now so they  
 can practice on the new hard-wood  
 floor. When they got on the floor at  
 Perry Central they were lost. All of  
 the players are new and inexperien-  
 ced. But before the year is over we  
 hope to develop a better team.

**Court Items**

A suit for damages growing out of injuries received from a live wire, was filed in the circuit court, by Kenneth Smith, through his next friends, William E. and Nancy A. Smith, against the Northern Indiana Power Company.

In the complaint it is said that several boys were playing on a box car near the Enamelling Works and in some way the Smith lad touched the live wire and seriously burned his hands. When the hands were healed they were drawn to as to be permanently crippled. The accident occurred last May. Damages to the sum of \$1,200 were asked.

The case was tried Monday and full damages awarded to the boy.

Alice R. Small has asked the court for a divorce from Louis Small. In the complaint she states that her hus-

band failed to provide for her, refused to go places with her, refused her medical aid, and would often curse and abuse her. The plaintiff asks for the custody of the son, alimony and an allowance for the son. The couple was married last August.

A suit for divorce has been filed in the court by Herbert Darr, against Anna Darr. The plaintiff is a traveling man. The Darr home is near Mattsville and the couple has been married since 1891.

The plaintiff charges that his wife has nagged at him for ten years, has often said that she wished they were not married and leased their home in Carmel for a year without his knowledge.

Marguerite Kirk has been granted a divorce from Jesse Kirk. In the decree the court stipulated that the plaintiff must not marry again for two years. Mrs. Kirk was formerly Miss Marguerite Johns of Noblesville.

A suit has been filed in the local court by Mrs. Ada Good for a divorce from Ferd Good. The wife says in her complaint that the defendant has cursed her, quarrelled with her and has driven her away from home.

She asks for the custody of their two year old child, Helen, an allowance for the support of the child and \$400 alimony.

The couple was married in October 1919 and separated the last of October, 1923.

Anas Applegate, of Sheridan, was given a divorce from J. M. Applegate

in the court, Tuesday afternoon. The former wife received \$725 as her share of the property settlement by an agreement reached outside the court.

The couple was divorced a year ago but the decree was set aside when the court learned that personal service had not been obtained on the defendant.

Applegate was found in Georgia several months ago and his arrest was secured by the wife on the charge of wife and child desertion. Because the governor of Georgia refused to sign the extradition papers, he could not be brought back here for trial, however.

**In True Tailored Style**

Near of kin to the tailored suit is this trim and dignified street frock, made on the simplest lines of poret twill. For adornment it has a neck-to-hem panel at the front, made of a plaid material, and similar panels in the sleeves. Small, round buttons below the collar and a narrow girdle of the twill, finish it in true tailored style.

**Masquerade Social Given  
By New Britton Society**

The Ladies Aid Society of New Britton, gave a masquerade social at the home of Mr. and Mrs. Joe Frazier Tuesday night, October 30th. Prizes were given to the ugliest and prettiest masked persons. Mrs. John Kidwell was awarded the prize as the prettiest and Paul Fesmire was given the present for the ugliest.

After the guests were unmasked several contests and fortune telling followed. Refreshments were pumpkin pie, coffee and doughnuts. The evening was spent with much pleasure by both old and young.

A. P. Butz and family motored to Boyleston, Sunday and visited friends.

**NEW HOPE, OHIO IS  
TOWN MINUS LANDLORDS**

New Hope, Ohio, a village located near the Indiana line in Preble county, is for all the world a second "Stringtown On the Pike". It has only one street and little else to boast about, yet holds a distinction that has earned the town a wide and enviable reputation in real estate circles. For be it known that the place harbors no landlords. Every one of the sixty-odd families lives in a home of its own.

The town a few years ago had a low renter—Mrs. Maggie Brenner. Then one fine day Mrs. Brenner bought the house in which she lived and New Hope got a place on the map.

The New Hopes earn their living by working on nearby farms. They live modestly, without the modern appointments so necessary in big cities, they seem quite contented, perhaps because they don't know the worry of a monthly visit of the rent collector.

Mr. Young, the teacher of Klepfer school, has organized a basket ball team for the girls and boys. The boys teams have played the Bethlehem boys team twice and won both games. They are very interested in basket ball and they wonder why the Fishers 7th and 8th grades do not challenge them to a game.

William Flanagan left last week for Texas, where he will spend the winter.

DeLoris Tate spent the week-end with Mr. and Mrs. Roy E. Castetter and family, of Indianapolis.

Mr. and Mrs. William Hamble entertained Mr. and Mrs. John Kidwell, Mr. and Mrs. Albert Kidwell and daughter, Louise, and Mr. and Mrs. B. L. Frazier and grand-daughter, Mary Belle, Sunday.

Dr. V. G. Black, wife and daughter Katherine, took dinner with Mr. and Mrs. John Nance, Sunday.

Mrs. Lucinda Fitzgerald and Jacob Krause were united in marriage at the parsonage, Wednesday evening at six-thirty o'clock by the Rev. Borders. They are both well known in this community and have the best wishes of their many friends.
