## REAL ELECTION IS HELD BY THE STUDENTS

Monday Was a Big Day In the Fishers School

Learn How To Vote

Republican Ticket Won Out By a Good Majority

Monday, Nov. 3rd, was a big day in the Fishers school. Unable to wait for the returns from the election on Tuesday, the class in Civics put on a real election of their own. There was nothing lacking. The booths used were the very ones to be used on the morning, the ballot boxes were the ones that have been used for years in Fishers. There were real printed ballots, both national and local; the much worn book of election laws was on hand and old window cords served for a rope.

Yes, there was a real election board, composed of seniors and the voting had to be done just right. After being instructed in the art of voting by Mr. Quear, the seventh and eighth grade and the high school proceeded to make the rooster drop his wings.

Of course no election could be real without a few disqualified ballots. Some, who wanted to be sure of making no mistake, voted a straight ticket for both parties, others voted for one man only; some were so awkward or careless that they could not mark within the proper spaces. One timid voter handed in a neatly folded ballot without a mark on it.

Election Board—Sheriff, Russell Howe; Inspector, Kenneth Kirkpatrick; Judges, Edgar Frazier.

## REV. BORDERS HAS DEVOTIONAL HOUR

Made a Good Talk To the School Monday Morning

Rev. Borders conducted the devotional hour at the school Monday morning. He read for the scripture lesson the story of the two disciples who wished a high place in the kingdom of heaven, closing with Christ's answer to the honor-seeking ones, "He that would be greatest among you, let him be the servant of all." Following the scripture lesson, Mr. Borders talked on "Some big little words of life." "We sometimes," he said, "make the mistake of thinking that the use of big words is a sign of high education. The college freshman usually thinks so, and uses words of many syllables. Most people recover from the disease but some stay in the freshman class all their lives. But after all the symbol of a true education is the ability to use rightly the words of a single syllable, for most of the really big things of life are expressed by small words. Life, death, love, God, joy, pain, home, wife, child, all these are words of one syllable and few letters, but they express the greatest ideas of human experience. Jesus in the Beatitudes used 119 words, 90 of which were of one syllable. To learn the right use of words like these means far more than to be able to pile syllable upon syllable."

Mr. Borders then took up four of the big little words of life and asked the students to learn their correct use early in life. One of these was the word God. He said, "One of the worst mistakes we make is that of failing to use this word at all. Life without God is a half-life and can end only in disaster. Another mistake is that of using this big little word as an oath. When a man swears it is sometimes deliberate blasphemy; more often it is simply an evidence that the man has only a vacuum tank above his collar, and hasn't brains enough to express himself in any other way. God is here and must be reckoned with. We need to learn the correct use of the word."

Mr. Borders then took up the use

of the words I, they, and we, saying that we are too prone to use I and they and do not often enough say we. We say I and they in such a way as to show our feeling of class distinction. The history of the world's struggle upward towards civilization has been the history of its struggle in learning to say we with all mankind, and we will never have perfect civilization till we have fully learned the lesson. He closed with an appeal to the students to develop their individuality without becoming egotistical and to apply the principles of true brotherhood at school and in after life.

## EIGHTH GRADE IS AGAIN VICTOR

Castleton Team Was Defeated By Score of 6 to 2

Fishers met the fast and aggressive McKay basket ball team Wednesday, Nov. 5th, at Fishers. The game was hard fought, although a clean contest. Neither team had been defeated this season and both were anxious to spoil their opponent's record.

Mr. Quear, the official referee, called the game promptly at 12:15. The local team was the first to score, Dodd, Fishers' tall center, scored a foul goal from under the basket. Although the visitors came back with a field goal from near the foul line. Nance and Castetter both scored in succession field goals before the whistle blew for the first half. Neither team scored again in the first half.

In the second half both teams threatened desperately but neither scored. Both teams played fast ball. The locals however were not up to their usual standard of playing. Fishers will play at McKay Wednesday, Nov. 12, 12:15. A good game assured.

Line-up and summary:  
Fishers—6 McKay—2  
Askren . . . . . Forward . . . . . Bary  
Castetter . . . . . Forward . . . . . Wolfgang  
Dodd . . . . . Center . . . . . Jacobs  
Flanders . . . . . Guard . . . . . Beaver  
Kirkpatrick . . . . . Guard . . . . . Hannah  
Field goals (Fishers) Dodd, Nance, Castetter; (Klepfier) Jacobs 1.  
Substitutes—Nance for Askren; Humes for Nance.

## LOSE TO LAWRENCE

Girls Team Defeated By Score of 9 to 3

The Fishers Girls Team lost a game of basket ball to Lawrence to the tune of 9 to 3. Considering the fact that it was their first game; that their practice has been limited, that it was on a foreign floor, the results are not bad. Lawrence showed better form in passing and in basket shooting. The line-up was as follows: forwards, Blossom Beaver and Delores Tate; center, Minnie Johnson and Mary Bell Frazier; guards, Mabel Askren and Alice Ringer.

The second game was one in which the winner could not be picked until the final whistle blew. Lawrence took the lead by caging five foul pitches and two field baskets before Fishers scored a single point. Then things began to tighten and at the end of the half the score was 16 to 11, Lawrence leading. Both teams came back strong the second half but Fishers gradually climbed until they had a two point lead. About two minutes before the final whistle the score stood 22-22. Then Lyle came through with two pretty field goals for Lawrence and Miller caged one for Fishers. The game ended 26-24 in favor of Lawrence. Both teams fought from start to finish and the game was surely a thriller for the fans.

## CHURCH WORK HAS PROGRESSED IN ALL LINES

Past Month a Good One In the Fishers Churches

Reward Plan Is Good One Woman's Class Has Made a Good Showing In Raising Money

Church work has progressed along all lines during the month in the local church. Sunday school attendance has been steadily increasing and church attendance has improved. On a recent Sunday there were 90 in Sunday school at Fishers, 75 at Zion and 45 at New Britton.

The Cross and Crown system of giving rewards for Sunday school attendance has been giving good results at the Fishers and Zion churches. Last Sunday, Paul Butz received a gold outton for one year's uninterrupted attendance. Many others earned buttons during the summer and others will complete their first year soon.

The Woman's Class of the Fishers Sunday school has been doing splendid work lately in raising money for church improvement. On Monday, before election, they served lunch at the Roy Clinton sale, and cleared more than thirty dollars. On election day they served dinner and supper to the election board and to the business men and other people of the community. Although the price charged for the chicken dinner was very low, the ladies made nearly forty dollars. This record of seventy dollars for two days work is surely good.

The Willing Workers class of Zion church, under their regular monthly social at the home of Jessie Ringer on Tuesday night. All present report a good time.

The Ladies Sunday school class of the Fishers church will meet with Mrs. Flanigan, Wednesday afternoon. They will study the lives of some modern women who have aided in the uplift of humanity.

## VISITING DAY OBSERVED NOV. 7

Cicero, Arcadia, Castleton and Broad Ripple On the List

School was dismissed Friday Nov. 7th, in order that Fishers might visit other schools. The teachers met at the school building at eight o'clock.

Mr. Kinnaman and Mr. Clark decided to journey northward so they visited at Cicero and Arcadia. They reported having seen some excellent work.

Mr. Quear, Mrs. Schooley, Mr. Long, Mrs. Long and Miss Kirkpatrick went to Castleton first. They visited classes here until the morning intermission and saw some splendid work. After recess they hurried over to Broad Ripple and visited until the noon intermission.

The dining room of the restaurant not being crowded it was possible to eat at the same table and discuss some of the things observed during the morning.

In the afternoon the group separated. The high school teachers visited classes at "Tech" and the grade teachers visited grade work in north Indianapolis. This group covered a wide field and saw many good things.

## SOCIAL NEWS

Maude McGinety, Blossom Beaver, Minnie Johnson and Delores Tate, Harry Burns, David Thompson, Jessie Horton and R. A. Gibson called on Mr. and Mrs. T. P. Jackson and daughter, Jo Anne, Tuesday night, at Indianapolis. Jo Anne Jackson has been visiting W. T. Barnes and family.

## ATTENDANCE OF 7TH AND 8TH GRADES

Those neither tardy nor absent during the first two months of school are as follows: Clarence Castetter, Roger Brinzendine, Edward Hume, Hollis Nance, Iola Wiles, Marvin Dodd, Reba Reynolds, Estell Long, Irene Butz, Bernice Clark, Melvin Jackson.

## SECOND NUMBER OF LYCEUM COURSE

Will Be Given By Harold E. Banta, Monday, Dec. 1st

The second number of the lyceum course will be given on Monday, Dec. 1st, by Harold E. Banta, in character impersonations, cartoons, pianologues, solos and readings. Mr. Banta is one of the most versatile entertainers on the platform today. Banta's clever cartoon work, some in black and white and some in colors, his original pianologues, his well-trained baritone voice, and carefully studied character impersonations all combine to make up a program so diversified and artistic that it contains not one dull moment from start to finish.

Mr. Banta has had experience in almost every line of the entertainment business and has utilized this experience in arranging a well-balanced program that keeps his audience on the alert and appeals to all. His acquaintance with many dialects, his make-up ability, and his remarkably mobile countenance make each character clear cut and delightfully human in portrayal.

Although a young man, Mr. Banta has played in nearly every state in the union and audiences everywhere have endorsed him as an artist "par excellence." Whether at the piano, the easel, or the make-up table, Mr. Banta's versatility, his ready wit, and his ability to sway his auditors from smiles to tears mark him as one of the foremost entertainers on the platform today.

## CLASS IN TYPEWRITING

Much Interest Is Shown In This Work

Two new L. C. Smith typewriters have been rented from the L. C. Smith Typewriter Co. and are now in continuous use throughout the day.

Many students are very enthusiastic over this work and no doubt before the year is over some of the students will be doing very good typewriting. Those taking typewriting are as follows:

- 1st period—Wilma Brinzendine and Mary Edith Hamble.
- 2nd period—Alice Ringer and Lois Clinton.
- 3rd period—Robert Abney and Charles Ray.
- 4th period—Russell Humes and Dorsey Dodd.
- 5th period—Edgar Frazier and Kenneth Kirkpatrick.
- 6th period—Jack Ohler and Addison Harrison.
- 7th period—Blossom Beaver and Ethel Mantz.
- 8th period—Nina Nance.

## THE FRIENDLY BIBLE CLASS HALLOWEEN PARTY

The New Britton Friendly Bible class had a contest during September. Its purpose was to get new members and to create a general rousing spirit in the class. The losing side was to entertain the winners. The captain of the winners was Arthur Whitacre and the losers, Mildred Whelchel. The losers entertained the others Thursday evening, Oct. 30th. It was a Halloween party as well as a party given for the winners of the contest. The crowd gathered at the home of Mildred Whelchel. Nearly all were masked. After selecting and giving the prettiest and ugliest a prize, they went to the woods. There they enjoyed the evening by roasting waffles and marshmallows. After having a splendid time in the woods the crowd adjourned. Those present were: Mayme Seymour, the teacher, Arthur Whitacre, Reba Reynolds, Roberta, Dorsey and Marvin Dodd, Dela May Morris, Archie Hawkins, Della McGinety, Anna Howe, Mary Frazier, Mabel Hamble, Cleo Gibson, Iola Wiles, Mildred Whelchel, Sanford and Mary Whitacre, Fred Sacks, Harvey and Clarence Ernie and Helen Luse.

## FARMERS HOLD GOOD MEETING AT FISHERS

Federation Discusses Subjects That Are of Vital Importance

The Unit System Is Up Would Make Radical Changes In School Management

The members of the Delaware Township Federation met Thursday evening of last week and the public was asked to attend. Every one enjoyed the program very much. Besides the subjects discussed, some excellent music was rendered by the Fishers Band, also a piano solo by Mary Castetter.

The subjects discussed: The Tubercular Testing of Dairy Cattle, a subject of vast importance at this time to farmers. Co-operative marketing and duties and responsibilities were very ably discussed by Mr. Wilson. County president of the Federation, Mr. Moore, of Adams township, and Mr. Johnson, of Carmel. After this there was a round table discussion of the subjects.

About the time this discussion began to wane, Mr. Quear, principal of the Fishers high school, stepped upon the scene, and being true to his natural trait, "always something good to offer," gave an excellent talk on the county unit system of conducting the schools, bringing out very clearly the weak as well as the good points in the system.

This is a subject that should be deeply studied by the taxpayers of the township as it will make a very radical change in the manner of conducting and financing the school system, which may or may not be for the best interest of the people. The federation is planning now an early December meeting and hope to have the State Federation president present for a general talk along with the local program they expect to offer. The public is most cordially invited to attend.

## ROOM TWO'S RECORD

The Attendance Continues Good—Several Visitors

The attendance in Room II continues good. The following pupils have been neither tardy nor absent:

Third Grade—Josephine Beaver, Alma Ford, Richard Garboden, Robert Herell, Mary Elizabeth Porter, Ruth Seymour, Esther Suiter, Gladys Sutton.

Fourth Grade—Beulah Butz, Lloyd Cain, Clifford Crossley, Marietta Elmore, Lillian Ford, Marvin Jackson, Mildred Messersmith, Melvin Wiles.

We were honored with the presence of several visitors last month. Visitors are always welcome. They included Rev. and Mrs. A. K. Love, Atlanta; Mrs. Mary Smith, Urbana, Ill.; Mrs. G. V. Carrier, Mrs. Leona McLaughlin, Mrs. W. E. Seymour and Mrs. C. F. Seymour, of Fishers.

Errol Shaffer is now attending the Wheeler school, and Floyd Eskew has returned to school No. 47, Indianapolis.

Miss Freda Kirkpatrick and her pupils planned a program as a surprise for us last Friday morning. A program of songs, recitations and an autumn playlet, was well presented by the children.

**LOST TO FORT HARRISON**  
On Sunday, Oct. 26th, the Fishers foot ball team thought they would go down to Fort Harrison for a little game. The Fort team was so glad that they were coming that they sent two trucks up to take Fishers to the game.

There was a large crowd out to see the game. When the Fort team came out on the grounds they had enough players for two teams. Then the game started. The Fishers team got afraid and didn't do much.

It is thought the Fishers boys thought that if they beat the Fort team, the truck drivers wouldn't bring them back home, so they just let the Fort team beat them 75 to 12.

Then the Fishers team got home all right. After this it is likely that when Fishers goes to play any kind of a game they will furnish their own way of travel.

# NEW SUITS FOR BASKETBALL BOYS

Order Placed With Spalding & Bros., An Indianapolis Firm

At the very beginning of school it was decided that the Fishers High School basket ball team should appear in new suits. Heretofore the school had been buying the suits, which were to remain the property of the school. Somehow it is hard for a player to give up the suit in which he has fought so many battles, so a new plan was devised.

Now each player pays approximately one-half the price of the outfit, and the school pays the balance. The outfit remains the property of the school until the player graduates, whereupon it becomes the property of the player.

A committee consisting of three of the boys and two faculty members visited the various stores in Indianapolis. After carefully considering the qualities and prices at the different places. The order was placed with A. G. Spalding and Bros.

The shirts are to be cardinal in color with a "Fishers" monogram in white.

The trunks are to be black in color with a letter "F" and numerals in white.

The following boys have ordered suits: Robert Abney, Carwon Cain, Roy Cain, Howard Flanders, Keith Emery, Edgar Frazier, Forest Garboden, Addison Harrison, Russell Howe, Dallas Miller, Jack Ohler, Charles Ray and Harold Whitsetl.

Hamilton County Historical Society interest me very greatly. My opinion is that this association should receive every kind of encouragement from the citizens of Hamilton county. Some of the most interesting events in the history of our State took place within the confines of Hamilton county, and those who are interested in commemorating this history and in reminding this generation and the generations to follow of the big and honorable part our county has had in the development of Indiana should receive encouragement of every kind.

It would be altogether desirable for the County Historical Society to have a building of its own, big enough to hold the meetings of the group of high-minded citizens interested in an enterprise of this kind, and also big enough to contain relics and historical material of all kinds. If a fire-proof addition to the Noblesville library could be built, connected in such a way with the library building that it could be heated, lighted and cared for by the library force, the movement for a greater interest in the history of the county would be greatly accelerated. It would be found, after the construction of such a building, that scores of families in Hamilton County have interesting relics that they would donate to the society, because these families would have some assurance that the relics would be kept properly and would be preserved for future generations. I myself have some material that I would be pleased to donate to the Historical Society if this organization could have some proper and fire-proof place in which to store these relics. Numerous other people would join, likewise, in pre-

senting gifts of this sort. Hamilton is a county of great resources and an interesting history. Good roads, good schools, an educated and law-abiding citizenship, and all the other elements—physical, spiritual and intellectual—that go to make up a desirable community are here. This county can easily stand with the very best within the borders of the state. No people can have a very great vision of the future unless it also has a correct conception of the past. An opportunity to do things, things of which all the people will be proud, is afforded by the organization of the Hamilton County Historical Society and by the enterprise and interest of those men and women in all parts of the county that want to remember, in a proper way, the courage, industry, enterprise and vision of their fathers.

## LYCEUM COURSE GETS GOOD START

### Gives Promise of the Best Entertainment For Years

The first number of the Lyceum course, contracted for by the Senior class, was given Tuesday night, Oct. 21, at the school building.

The entertainment was mostly musical and comical with the exception of one tragic story which caused tears to come to some of the audience.

Mr. Poor proved his ability to carry his audience from shouting laughter to tears.

The most humorous event was the imitation of "A School Boy's First Essay on Ducks." This was given by Mr. Poor amid uproarious laughter.

Mrs. Poor gave many selections on the piano and sang in her beautiful soprano voice.

They both gave some beautiful selections on the chimes, a musical instrument that had never been in Fishers before.

## PREPARING A SURPRISE

### First and Second Grades Busy Past Week

The first and second grade were very busy this last week preparing a surprise for the third and fourth grades. On Friday morning they surprised Room II with a program of several recitations and an "Autumn Play."

This week everyone is very much interested in two large posters about health habits. Clean teeth is quite a necessity now. Also several have started to bring milk with their lunch. We hope everyone will soon have this healthful habit. Other habits will be taken up later.

Very few have been absent this month. Room I having an attendance record of 98 per cent.

We were very glad to have as visitors this month, Mrs. J. M. Smith, Mrs. G. V. Carrier, Miss Leona McLaughlin.

## 2500 FISH PLANTED AT RIVERWOOD

### A Shipment of Six Cans Received From Government

Dr. Earl Brooks, Carl Hare and Frank Owen received from the government Wednesday morning six cans of croppies, channel cat and large mouth bass. There were close to 2,500 fish in these cans and they were rushed to the vicinity of Riverwood and planted in White River. They were raised in the upper Mississippi River and were in fine condition when they reached Noblesville. It is understood that this may be the first of several similar shipments which these local men may receive from the same source before the fall season ends.

were visiting at Noblesville, Monday afternoon.

## GALVESTON WON A HARD STRUGGLE

### Red Arrows Were Defeated By the Score of 33 To 21

October 29th, Fishers Red Arrows journeyed to Galveston and lost a hard fought game. It was a battle from the beginning to the end.

Fishers was handicapped by the long drive, and by two of the regular players not getting there until the game was half over.

The score at the first half was 15 to 8 in favor of Galveston and 33 to 21 at the final moment.

It is thought by all teams who have played at Galveston that they can be easily beaten off their own floor, although they do have a good passing and basket shooting team.

The Red Arrows have a wonderful reputation for being clean and good players at Galveston.

## NOBLESVILLE LIBRARY REPORT

Number of volumes in the library, 13,603.

Total circulation 4,189, a gain of 636 over October of last year and almost double the circulation of 1922.

City circulation 3,084. Township, 1,105. Adult circulation 2,701. Juvenile circulation 1,488.

Total number of borrowers 3,319. City 2,342. Township 977. Adult borrowers 2,039. Juvenile 1,280.

Miss Mabel Craig has accepted the position of second assistant. She is in the library three days a week. Mrs. Jennie Lyon has accepted the position of substitute and will be in the library for two month's training for the position. The library car now makes eight runs a month through the township instead of seven, the township schools having been placed on a special run.

Nov. 12-14 is the joint meeting of the Indiana Library Association and the Indiana Library Trustees Association held at the Severin Hotel, Indianapolis. The Public Library will be closed on Thursday so that all the library assistants may attend. Miss Miesse, Miss Haworth and Mrs. H. H. Thompson will leave on Wednesday for the meeting which begins at 2:15 p. m. These

meetings are of great interest and benefit to both librarians and trustees, for besides the meetings themselves, a great many displays are made of new methods of mending, binding, and all kinds of library supplies. Many new books and pamphlets are also on display, and special attention is given to children's books. Several members of the local library board will attend the Thursday sessions.

**ACCIDENTAL DEATH**

**Joe Perry Heady Fell From Building**

Joe Perry Heady, a well known resident and one of the oldest settlers of Fishers met his death Wednesday, Oct. 29th, when he fell from a building on which he was working.

Mr. Heady had sold the building to Mr. Thompson, of New Britton. He was helping Morgan tear it down when he became over-balanced and fell to the floor. Morgan hearing the crash, ran in to see what was the matter. Mr. Heady gave one gasp for breath and died. Mr. Heady's friends will miss him very much.

He is survived by two sons. He was 78 years of age. His funeral was held Saturday, Nov. 1st, at the Fishers M. E. Church. Mr. Heady was a civil war veteran.

**GIRLS ORGANIZE TEAM**

**Have Scheduled Game With Lawrence, Castle-ton and Noblesville**

The girls of F. H. S. have organized their basket ball teams for this year and are doing splendid practicing, and hope that they will turn out to be the best in the state. They have scheduled games with Lawrence, Castleton and Noblesville.

The players are five who played last year and several new ones. Only one player was lost by graduation but by several new ones coming in we expect to have as strong a team.

We hope the people will enjoy the girls playing and take as much interest in them as they have the boys.

Those who have been to practice are Mabel Askren, Delores Tate, Alice Ringer, Blossom Beaver, Minnie Johnson, Anna Howe, Della Maye McGinety, Mabel Hamble, Mary Belle Frazier.

**ADDITIONAL SOCIETY**

Minnie Johnson, Delores Tate, Blossom Beaver attended the trial at Noblesville Tuesday and Wednesday afternoon.

Mrs. Cora Flanigan, who has been on the sick list, is better.

Mr. and Mrs. George O'Delle, of Indianapolis, were Sunday guests of Mr. and Mrs. W. T. Barnes.

Mr. and Mrs. John Crossley are the proud parents of a baby girl. It has been named Phyllis Maye.

Mr. Caylor says Arthur Whitacre is the best tenor singer he has. He's the only one who sings tenor.

**REFEREE'S EYE BLACKED**

**Unsatisfactory Game With Highland Team**

Wednesday afternoon, Oct. 22nd, the Bull Dogs of Highland and the Scrappers of Fishers met in a very exciting game.

The game was called at 12:30, which started off very nicely with many spectators and Robert Abney of Fishers as referee.

The Fishers boys were very much larger than the Highland boys so they treated them with the utmost tenderness.

The first half the Bull Dogs were in the lead but one point. The second half of the game started off nicely but a little later both teams began to get rough. One of the Bull Dogs and one of the Scrappers engaged in a boxing match. The referee ordered both boys off the floor, but the Bull Dog gave the referee to understand that he wouldn't leave. The referee told the Scrapper to go ahead and throw fouds until the Bull Dog left the floor. Finally he left, but Mr. Thomas said the rest of the game would have to be called as he had no substitutes, so the Bull Dog was entered under another name.

The Bull Dog forgot to report to the referee so another foul was called. This made the Bull Dog angry and he gave the referee a black-eye.

The game ended with the score of 9 to 17 in favor of the Scrappers. Fishers carried home the victory and the referee the black eye.

The Bull Dogs made the remark, "If we can't beat the Scrappers, we sure can beat the referee."

In Morocco, as in most Mohammedan countries, the native girls are married at an extremely early age, often before they are fourteen, and it is not uncommon for them to be divorced at sixteen.

Bricks brought to Pensacola, Fla., from Ireland fifty years ago have recently been used in construction of a new building there. These bricks were brought as ballast on a sailing vessel and were bought and stored.

What is described as the most important visitor from the skies ever to fall to earth has been discovered in the North African desert. It is an enormous mass of meteoric stone, with a volume in the neighborhood of 160,000 cubic meters. M. LaCroix, French geologist who studied the meteorite, says it contains some rare metals.
