FISHERS, INDIANA, NOVEMBER 24, 1925

NUMBER 2

CHAS. H. CRAIG GAVE ENTERTAINING MAGICAL PROGRAM AT FISHERS

PERFORMED SEEMINGLY IMPOSSIBLE FEATS BEFORE LARGE AUDIENCE

Was Enjoyed by Children

BEST TRICK OF EVENING WAS RESERVED UNTIL LAST—UNEXPLAINABLE.

Mr. Charles H. Craig noted entertainer representing the Brown Lyceum Bureau entertained a large and very attentive audience in the High School assembly of the school building on the evening of November the eleventh. This was the first number of the Lyceum course which consists of three other numbers to be given at various times during the winter months at the school building.

Mr. Craig began his program by folding his umbrella up in his hat. Then this was followed by a number of apparently impossible feats which consisted of such things as transferring cards from one pack to another and changing things from one thing to another.

He also made two drawings by the use of pieces of cloth which were very interesting. He explained to the audience one of his tricks but it is very doubtful if anybody sees through it yet.

He was watched very closely by most of the children especially those who occupied the front row so they could see through all his tricks. He used a few of them in his tricks and every now and then some boy or girl thought they could explain how it was performed but their explanations were entirely wrong.

Mr. Craig concluded his program by the ring performance in which he had a number of rings which he put together and took apart with ease. These rings were passed out among the audience for inspection but no break could be found in them. This performance was considered by a great many his best trick of the evening.

We believe everybody that was present enjoyed the program to a great extent and thought that their money was well spent as the quality of entertainment is far superior to prices.

REV. BORDERS GAVE TALK AT SCHOOL MONDAY

Monday morning the Rev. Borders appeared before the High school and the seventh and eighth grades and gave a short but forceful talk.

The subject of his address was "Guessing." He emphasized the fact that guessing was not the best policy for nine times out of ten you guessed wrong. He also brought out the point that, if we would do more real thinking and less guessing, we would get along better.

We appreciate the privilege of having Rev. Borders with us very much.

Sketches From The Domestic Science Class

The Domestic Science Class is progressing nicely. Everyone seems to like it and is taking an interest in it. They cook twice a week and have lectures and illustrations the other three days.

Several different things have been done this year, by this department.

Those who are in this class now are:

Eunice Whitmore.
Esther Messersmith.
Mary Castetter
Della Norris

They have lost two girls from their class since school started, Willetta Elmore and Emma Rike.

The seventh and eighth grade girls are progressing very nicely with the class of sewing. They are just now completing dainty serving aprons.

SENIOR CLASS PINS

The Senior class of 1925-26, selected class pins from the selection of pins of the Herf-Jones Company, Monday afternoon. The pins are a triangle shape with prong guards. At the were the best of the stock and very top are four pearl insets. These pins expensive. They have engraved on them, the name of the school and year. On the back are the initials of the owner. We hope the seniors will be satisfied with the pins, because they are very pretty, and that they keep them a long time, to remember their senior year of High School.

FUNERAL SERVICES HELD FOR MRS. E. MCKINNEY

WIFE OF DELAWARE TOWNSHIP TRUSTEE BURIED THURSDAY NOV. 12, 1925.

The funeral of Mrs. Elizabeth McKinney, fifty-one years of age, wife of Frank B. McKinney, trustee of Delaware township, was held at the home of her brother, Willard D. Hough, in Indianapolis, Thursday afternoon, November 12. Rev. Frank S. C. Wicks had charge of the services and burial was made in Crown Hill Cemetery.

Mrs. McKinney is survived by her husband and the brother, Mrs. McKinney was a graduate of the May Wright Sewell girls' classical school of Indianapolis. While living in Indianapolis Mrs. McKinney attended the All Souls Unitarian Church and although not a member took an active interest in its affairs. About seven years ago she and her husband moved to their farm east of Fishers.

Mrs. McKinney acted as the administratrix of the estate of Mrs. Emma Dewey, an aunt who bequeathed \$50,000 for the construction of the memorial fountain in University Square, of Indianapolis. The fountain was dedicated September 13, 1919.

Mrs. McKinney took an active interest in the school and community affairs and the school as well as the community all that they have lost one of their best friends.

A NEW FLAG POLE

The new flag pole was delivered at the school building Monday. It is heavy steel and thirty feet long. The school also received a new flag. As soon as the weather is suitable, and the flag pole is raised, the school is going to have a flag raising to show their appreciation of the red, white and blue.

The flag will be raised every school day and when the weather is suitable. Everyone should appreciate the American flag and support it. That is the reason the schools will be proud to see one on the school grounds.

Mr. and Mrs. H. A. Messersmith and family spent Sunday with Mr. and Mrs. Otto Messersmith of Brightwood.

Miss Mary Frazier spent Sunday with Miss Mabel Hamble.

FIRST BASKET BALL GAME WITH CICERO

SCORE 23-20 IN FAVOR OF CICERO —BOTH TEAMS SHOWED REAL SPIRIT

The Fishers High School played the Cicero High School team at Fishers Friday night October 24. This was the opening game of the season for both teams and by this both teams were very anxious to win. Cicero brought a number of fans to support their school. Fishers fans were rather slow in getting out but finally equaled the opponents.

The game was close all the way, at the end of the first half Cicero held the lead 14-11, when the gun cracked they still lead by a score of 23-20.

Cook and Lockwood acted as high point men for Cicero while Miller, Flanders and Emery showed up for Fishers.

Line up and summary.

Fishers	F	F.G.	P
Miller	2	2	0
Emery	3	1	1
Flanders	3	2	3
Kirkpatrick	0	0	3
Abney	1	0	4
Whitsell	1	0	1

Cicero	F	F.G.	P
Lockwood	2	4	4
Cook	3	2	4
Mosbaugh	0	0	4
Owen	0	0	0
Essig	0	0	1
Cox	0	0	3
Hiatt	0	2	3
Evans	2	0	2

The second team of both schools played the opening game as a curtain raiser, Cicero winning 16-6.

FISHERS VS. LAWRENCE

The Fishers Tigers went to Lawrence Friday night November 6, to play the Lawrence High School. This was a fast and well played game throughout.

Probably this game would have been different if the Fishers boys could have connected with the basket, but it was impossible, shot after shot was taken in good shooting range but some how luck was against them. Emery was the high point man for Fishers with Wright and Hopkins the main stay for Lawrence.

The Fishers Girls played the Lawrence Girls a curtain raiser. This game was a thrilling lop-sided affair. Lawrence winning 50-3. Forger and Plumber each caged ten baskets and two fouls. Mary Belle Frazier was the in.

(Continued on Page Three)

THE TIGERS AND GREHOUNDS CLASH

Friday, Nov. 20, 1925, the Carmel Greyhounds came prancing into Fishers for a clash with the local Tigers.

A preliminary game was played between the second team of Fishers and of Carmel. The Baby Tigers trailing 6-2, at the half, came back and played the Greyhound pups on their feet, with the score standing 3-8 and about one minute to play. Tate sank a pretty goal from back near the center which spelled defeat for the Baby Tigers.

Then came the first team game. Most critics prophesied that the Tigers would win by ten points, but, however, this was wrong for the Greyhounds got lucky and couldn't miss goal from near center, while Fishers played the poorest brand of ball that has been seen this year.

The half ended 19-6 with the Tigers at the short end of the score. Flanders, towering center for Tigers was off form so badly that he could hardly catch the ball. The second half was a repetition of the first. Carmel could not miss the basket, while Fishers, on the other hand couldn't hit it. The Final score was 37-15 for Carmel. Coach Kinnaman will give the Tigers a hard workout this week in order to strengthen the team for the Walnut Grove game, this week.

THE F. H. S. CALENDAR

Oct. 19—The Juniors bought their class rings today.

I wonder what they look like?

October 20—The first issue of the Communicator came out today. All the Seniors have a bad taste in their mouths from licking the wrappers.

Oct. 21—A good raking by yell leader Macks and then yell practice. Vacation begun at 3:30.

Oct. 26—Back to school again. I wonder if the teachers are any smarter? I wonder why Jack Ahler is so popular today?

Oct. 27—A surprise party on Jack Ohler last night. I wonder who gave the secret away.

Oct. 28—The first real snow of the season is on the ground. Complimentary B. B. schedules given out then yell practice.

Oct. 29—Music morning again. Mr. Fisher spends a good bit of time training his talented sopranos.

Oct. 30—Coach Kinnaman met with his war horses. Then we had a pep session. "Beat Cicero."

Nov. 2—Well, we lost 23-20, not bad. A bad start makes a good ending. Watch out.

Nov. 3—Music for opening exercises again.

Nov. 4—Juniors held their class election. Dorothy Emery elected president.

Nov. 5—Second Fire Drill of the year.

Nov. 6—Defeated by Lawrence 31-18. opening exercises.

Nov. 10—Roberta Dodd of the class of 1924 visited school today.

Nov. 11—Armistice Day. An opening exercise, talks by Mr. Rigot.

Nov. 12—No school Thursday p. m. The teachers attended Mrs. McKinney's funeral at Indianapolis.

Nov. 13—Friday the thirteenth and unlucky day for Castleton, score 31-9.

Nov. 16—The Seniors bought their class pins today.

Nov. 17—Reports out today. I wonder who will be on the Honor Roll?

NEXT LYCEUM COURSE NUMBER DECEMBER 12

The talent for the next number of the course will be furnished by Dr. H. B. Burns, a noted lecturer under the management of Brown Lyceum Bureau. It will be given Dec. 12 at the school building. Mrs. Burns is a marvelous word painter and has intense earnestness and also possesses a very fine voice.

Mr. Burns grew up on an infertile farm in Pennsylvania. His Scotch parents furnished plenty of good books for him to read, but he also had to work hard. He walked seven miles twice a day to get his first term of college education. After graduating there he received his Master's degree at another college in Pennsylvania and then went to the University of New York for his medical preparation. It was there that he dreamed of a career as a lecturer.

Dr. Burns has been lecturing for twelve years and during this time he has delivered more than three thousand lectures and has visited the big cities of the mid-west.

The subject of the lecture which he will deliver here on December the 12th will be one of the following four, "Chords and Dischords," "Father Abraham," "The Message of the Flag," or the "Back-bone of the Nation," any of which will be of exceptional quality for the price.

Dr. Burn's lecture will be the second number of the Lyceum Course which is under the Brown Lyceum Bureau. About thirty-five members of the community who were well pleased with the course last year, pledged to sponsor the course this year. The third one will be a musical number and the fourth and last one, will be a program for which the school will furnish the entertainment. The last two numbers will be given at the school building during the winter. We believe this is the highest quality of entertainment that can be obtained at such low prices as fifteen and thirty-five cents.

Carl Overby ran off the cement road near Mid-way, Thursday afternoon and was seriously injured and was taken to the Robert Long hospital at Indianapolis.

LOSERS IN CONTEST TO BOOST THE SCHOOL PAPER, GIVE A PARTY

SMALL MARGIN DISTINGUISHES WINNERS FROM LOSING SIDE

Orchestra Furnishes Music

REFRESHMENTS OF ICE CREAM AND CAKE SERVED TO GUESTS

About five weeks ago when we decided to publish the school paper, we decided that the best way to increase the enthusiasm of the sale of subscriptions was to choose sides and have a contest. Robert Abney and Jack Ohler chose sides from the high school and the seventh and eighth grade pupils, and the members of the faculty. After about a week of hard labor on both sides the contest was closed. Each side had a meeting and then the results of the week's work for both sides was brought before the assembly. Jack Ohler's side had a total of sixty-two subscriptions and Robert Abney's had fifty-eight. This was not a very wide margin but it was all that was needed to win the contest.

On Saturday evening, November 14th, the losing side gave a party, as had been agreed at the beginning of the contest. Only a few were absent from the contesting sides. The program was begun by several selections of popular music, which were played exceptionally well. The orchestra consisted of Mary Castetter, pianist, Robert Abney and Curtis Marks, saxophones, Quentin Kirkpatrick, violin, and Charles Ray the drums.

As soon as the orchestra stopped playing, Mr. Long, one of the losing side, announced the program for the evening, consisting of eight games, as follows: Domino, croquet, carrom, carrying beans on a toothpick from one dish to another, tossing bean bags at a box with a hole cut in it, tossing rope rings at a peg and throwing rings at a board with nails driven into it. These games were played alternately; that is the winners would go to the next game at a given signal, and the losers stayed where they were. Only the winners of the contest entered into these games and the losers explained each game to the contestants. Curtis Marks was the only contestant who made the complete circuit without losing a game. He received a prize for this.

After the games had been played about seven or eight times, the refreshments were served. They consisted of brick ice-cream, wafers and punch. The orchestra played several selections while the others were eating, and then everybody went home.

The entertainment was of a new type, and we are sure if all the winners didn't enjoy themselves it was not the fault of the losers.

RED ARROWS WON AND LOST GAME WEDNESDAY

The Red Arrows played a double header last Wednesday with Shadeland and Fort Harrison Meteors, being their opponents.

The first game being lost to Shadeland in a fast and well played game, by the score of 20-22.

The second game being won by the score 26-26. This game also was a faster game than indicated by the score.

ITEMS OF ROOM ONE

Armistice day was observed in Room I, by giving the Flag salute and the history of Armistice Day for opening exercises. During the day patriotic poems were read and a brief history of the Great War was given.

We were very sorry to have two of our pupils move away. They were Mabel Rike and Loren Garrity. Both are attending Indianapolis schools now.

Mrs. V. G. Carrier and Miss Roberta Dodd visited our room last month.

EDITORIAL

Habit is a cable. We weave a thread of it every day, and at last we cannot break it.

Roses, by any other name, would cost just as much.

If you stay up all night, you will have to sit down all day.

No body loves a rag chewer, look at the moth.

You can't loaf and make A's.

Always watch the car behind the one ahead of you.

Be it ever so homely, there's no face like your own.

A grapefruit is a lemon that had a chance and took it.

An optimist is one who buys a pocketbook on credit.

A pessimist is one who wears both a belt and a pair of suspenders.

Whatever we pour into our public schools comes back a hundredfold to better life for us all.

The greatest American problem is to learn how to have voters and taxpayers recognize the fact that the children of to-day will be the responsible government of to-morrow.

Miss Roberta Dodd visited school one day last week

Our Dear Old High School

Fishers High School students are we, Seeking knowledge ever we'll be, Our lives to improve we shall try, Dear old Fishers High.

Chorus.

Fishers our dear old Fishers high school,

Fishers the school we love so well, Ever we will submit to your rule, Ever of your praises tell.

Sacred the mem'ry we shall cherish, Of friends and teachers so true, Your colors red and white shine thru the night,

Fisher's high school for you.

2nd. verse.

Fishers High school dear to my heart, Sad the day when we have to part, Happy days are now passing by, Dear old Fishers High.

The Usages of the Flag We All Should Know

When the Flag is displayed in any manner other than being flown from a staff, it should be displayed flat, whether indoors or out. When displayed either horizontally or vertically against a wall, the union where the stars are located, should be uppermost and to the flags own right, i. e. to the observers left. When displayed in a window it should be displayed in the same way, with the union to the left of the observer on the street. When festoons, rosettes, or drapings are desired, bunting of blue white and red should be used, never the flag.

When used on a speaker's platform the Flag, if displayed flat, should be displayed above or behind the speaker. If flown from a staff it should be in the position of honor, at the speaker's right. It should never be used to cover the speaker's desk or to drape over the front of the platform.

Do not let the Flag touch the ground or the floor, or to trail in the water.

Do not place any object or emblem of any kind on or above the Flag of

the United States of America.

Do not drape the Flag over the hood top, sides or back of a vehicle, or a train or boat. When a flag is displayed on a motor car, the staff should be firmly affixed to the chassis or clamped to the radiator cap.

Do not carry the Flag flat or horizontally, but always aloft and free.

Do not display, use or store the Flag in such a manner as will cause it to be easily soiled or damaged.

Taffy Pulling

Saturday evening Miss Dorothy Emery invited a number of friends and relatives to an old fashioned taffy pulling party. They were invited to come early and stay late. Each one was to dress for fun and not for looks, and were required to grin with them their best humor.

Everyone arrived early in the evening and every one seemed to have brought with them their best humor as required. All who were invited came but two, which all regretted very much.

The furniture was pushed back against the wall so that there would be plenty of room. Until all assembled the ones who were there played, talked, joked and laughed.

After all had made themselves known the women went into the kitchen and started making taffy. Those who were not busy with the taffy popped corn for crackerjack. The girls who did not want to get their hands sticky stayed in the room with the men and children. But were later surprised, because the other women and girls who were doing something made them make pop-corn balls, which they took in good humor for everybody was out for a good time.

When the taffy was ready to pull the girls put their names in a hat and let the boys draw. It was fun to see the boys hunting their partners to help them pull their taffy.

When the taffy was pulled and every had all they wanted to eat, they all went out doors and played all the games they could think of. They started for home at mid-night and they would have stayed longer if they had not been so tired.

NOTES FROM ROOM III

Wilbur and Kenneth Garrity have moved from our vicinity and will attend the Fortville school.

Harlan Rike is attending school No. 16 in Indianapolis.

Armistice Day was observed in this room by a short program at eleven o'clock. A few moments silence was followed by singing America and the Star Spangled Banner, and a short explanation of the significance of the occasion.

Three students would have been on the Honor Roll if they had been perfect in attendance.

"WANTED"

Wanted: Some one to argue with Ted Marks and Bob Abney.

Wanted: Some good readers in the Senior class—See Mrs. Walton.

Wanted: Some B. B. games. See B. B. girls.

Wanted: Some shoe strings—Chas. Ray.

Wanted: A beauty parlor.—F. H. S. girls.

Wanted: A watchman for the girls hall—Part of the F. H. S. girls.

Wanted: A new desk—Ted Marks.

Wanted: Margins on all papers—Mrs. Walton.

Juniors Ordered Their Rings

Most every student likes to have a class ring. Although they may not appreciate them so very much while they are in H. S. but in later years they will appreciate them more. Only part of the Junior class felt as if they wanted to get rings. They ordered them from Hert-Jones of Indianapolis. Those ordering rings were, Mary Frazier, Alice Ringer, Howard Flanders, Mildred Whelchel and Lois Clinton.

Junior Class Elections

The Junior class of F. H. S. held a class election along the first part of the month, those elected are as follows, Dorothy Emery, President, Byron Clark, vice-president, Mary Frazier, secretary and treasurer.

FOR SALE: "Pencils" See "Ad" Harrison.

LOST—Two basket ball games. Please return the same to the coach, if found.

Birthday Surprise

The Seventh and eighth grade pupils of this school gave their teacher Mr. Kinnamon, a surprise birthday dinner, Nov. 10th. The pupils were a day late as the teachers will never tell how old they are, or when their birthdays are, so the pupils inquired of some high school girls who had once been in his room, but they gave the date too late, as his birthday was the 9th. But nevertheless the dinner was a success.

At the noon hour Mr. Kinnamon was asked to go to the Domestic Science room, as a dinner was there waiting for him. Here he was confronted with a large birthday cake, and he set forth to the task of lighting the candles. He was soon forced to say that it was his first time for this sort of a task so he was compelled to ask Irene Butz to help him along with his task.

After the lighting of the candles, all present enjoyed a pitch-in-dinner, consisting of fried chicken, potato salad, bean salad, sandwiches of all kinds, cheese, pickles, olives, cake, pie and cookies and an assortment of fruits.

All enjoyed the dinner but one thing caused a great uproar through the crowd for the boys were asked to bring the fruit, which they did. Melvin Whelchel said he had brought two oranges, one for the honor guest and one for himself, but as he made this speech too late, he had to do without his orange.

Those present were as follows. Mr. Kinnaman, Mr. Rigot, Mr. Long, Mrs. Clark, Mrs. Walton, Mrs. Long and Miss Kirkpatrick and the pupils of the seventh and eighth grades.

Irene Butz, 8th gr.

The teachers of Fishers school and a few of the students and townspeople attended the funeral of Mrs. McKinney Thursday afternoon in Indianapolis.

"OUR TRIP"

Thursday Aug. 27th, we started on our trip to the state of "Oregon" where we intend to spend our future life. On the rear of each car was printed in large letter O. O. B. which stands for "Oregon or Bust."

Didn't get very far first day, camped in Lebanon auto camp first night, our first experience with camp life.

Friday noon we crossed the state line, into Ill., which is a pretty state, with its great fields of fine corn, beautiful well kept farm homes, black rich soil. That night we camped at Urbana, a pretty little town, after supper the boys played music, in short time several tourists gathered around, most of them sang with music, all had a great time.

Saturday, We traveled all day, seeing more fine country, arrived at Starved Rocks late in the evening, which is a state park, noted for its beautiful scenery.

Sunday, we traveled until noon, just before noon, we went through Princeton, the most beautiful town we saw in Illinois, along its streets were giant trees, the branches which met overhead, making a bower over the streets. We camped at Sheffield that afternoon in night. In the evening a storm came up and rained for a short time.

Monday morning, we awoke to find the sun shining bright, about nine o'clock we reached Moline, Rock Island and Davenport the three cities joining. We were about two hours getting through the traffic, crossed the river over into the state of Iowa, that evening we stopped at Comfort which was a nice grassy camp ground, all five cars still had Indiana air in tires.

Tuesday morning, we started for a long days drive, that night about dusk we arrived at Atlantic, where we spent the night. It was very little sleep we got for the mosquitoes almost ate us up, crawling out of bed with mosquito bites all over us, we started on our journey.

We reached Council Bluffs just before noon. It is built among the hills, but is a beautiful city. The state of Iowa was the most beautiful, most prosperous looking state we had passed through. The country is hilly, but grew fine corn and grass over all the hills, had fine farm homes and herds of fat cattle.

We ate our dinner just east of Mo. river, had to pay toll to cross bridge over into Omaha Neb. After driving hard that afternoon we camped at Schuyler.

The next day, Thursday, we did not travel very far because we had a lot of tire trouble. But we finally got to a small place by the name of Gibbon.

The next morning, we awoke bright and early, for another long day. That night we camped at an old lady's home near Sutherland. She had a fine modern home, invited us in to play music. She had a piano and made us all feel at home. She owns a big ranch and is putting in a modern camp.

Saturday we did not travel, the women washed and ironed, the men went hunting, they killed two Jack rabbits which looked like young mules to us.

Sunday morning, early we started on, all anxious to get to our destination. About middle of afternoon, were caught in a heavy rain and some hail, had to stop at Sidney.

Monday morning we started out again hoping to see the Rockies before we stopped, and we did. That night we camped at Cheyenne.

What we seen of Nebraska was mostly sandy and no trees. Most of homes were shacks built out in hot sun. Even the towns have very few trees. But some parts of the state have great fields of alfalfa, but was so hot and dusty we most roasted, also had a lot of tire trouble.

Tuesday morning, we left Cheyenne, soon started up the Rockies. None of us suffered with the heat, the wind did blow so cold. We almost froze. We could see nothing but sage brush. After I got into bed I still imagined I could see sage brush. We also kept nice and cool that night, although it was cold we started on next morning.

That evening one of our cars had tire trouble, so we stopped at the nearest town, called Rock Springs. It was a mining town.

Thursday morning we again started on the long journey, seeing nothing but mountains, sage brush, little deserted shacks, a herd of cattle sometimes and hundreds of sheep being watched by one and two men and their collies.

That night we camped in Kenimerer, another mining town. We boys went to the movies that night. Wyoming has fine roads.

Friday noon, we crossed state line into Idaho, the roads were not nearly so good, but seen the prettiest little valley's green with alfalfa and others golden with ripe grain.

That night we camped at Soda Springs, a Mormon town. We saw the cabin Brigham Young built, the streets were very wide in this town. In the camp was a great spring. It was strong like soda water, but we could hardly drink it, but the town's people carried it away by bucketful. Guess it was very healthy.

The next day was Saturday, the end of another week. We got into Pocatello camp, early afternoon. At this camp was a large dance hall so the folks played music, and we had a little dance.

Sunday, we layed over and rested after breakfast we thought we would climb the mountains. We climbed about five miles and still we were not to top; all of us being exhausted, decided to go back to camp.

Monday morning, All being rested, we started for a hard day's drive. We reached Buhl, which was a nice grassy camp, big kitchens with electric stoves. The kids all played on swings and slides until dark, then we all retired for the night.

Tuesday night we camped at Boise, Wednesday, we entered the state of "Oregon." Late that evening we reached Baker. There we had to shake our bed clothes for the alfalfa weevil. They won't allow any machines from the east to go through without this process. It was late when we got to camp that night, and also chilly.

Thursday morning we worked on Fords and after dinner went down in town and registered, and then drove until evening. We crossed the Blue mountains, seen beautiful scenery, stopped at La Grand tourist camp ground for the night.

Friday night we stopped at a small camp called Poplar Grove. Saturday morning we started over the Cascades. In them were two parks built for people to see the great scenery.

Saturday afternoon we arrived at Portland and camped until Monday morning, the most wonderful scenery was along the Columbia highway. All around Portland the ferns grow wild, as high as the fence, and they grow the most wonderful roses, and most all kinds of flowers.

Monday, we drove down to Eugene, stopped at Cabin City Auto Park. We all got work and decided to stay.

Saturday we rented a house in Springfield, just a few miles from Eugene. One family is still living in Cabin City, another in Eugene.

We drove 2,770 miles. We arrived here having no wrecks, although the Fords had tire trouble. The Hupp still had five tires with Indiana air. We

sure were lucky.
And now we live in the land of sun shine where the roses bloom the year around.

Forest D. Garboden.

dividual star for the losers making all three points.

CASTLETON VS. FISHERS

There are two old sayings. "If you don't succeed the first time try and try again." "The third time is a charm," both were right even if it was Friday 13. Fishers won two games. This is the turning of the tide the players say.

The Castleton High School was defeated by the Fishers High School in the Harold Gym, Friday night by a score of 31-9. The game was clean and well-played. It showed the right spirit of sportsmanship throughout. Wadsworth always wore a smile on his face, when he and Emery would come in contact with one another.

Miller and Emery each made ten points for the winners, Wadsworth made six of his team's nine. The first half ended 16-3 and the final 31-9.

The Fisher's and Castleton second teams played the curtain raiser. Fishers won 13-4.

CHURCH NOTES

Work is progressing nicely on the remodeling of the Fishers church. The carpenters work has been practically completed and the decorators are now refinishing the interior.

The size of the auditorium has not been changed by the additions to the church, as it was already large enough for church purposes. Two Sunday school rooms have been added which will relieve the congestion of the Sunday school and enable both teachers and pupils to do more efficient work. The basement has been cemented and a new Victor furnace installed.

The contract for decorating was given to the Circle City decorating company, and calls for decorating the interior and refinishing all the wood-work and seats. The expenses of decorating is being cared for by the Ladies Sunday School class, which will also purchase new carpets. The True Blue Class is taking care of the work to be done on the seats.

It is hoped that the church will be ready for use by the second Sunday in December and that it may be dedicated soon after. Arrangements for Dedication will be announced soon.

Church services will be held in the auditorium of the school house until the church is completed.

Cottage prayer meetings are being held in the various homes while the church is under construction. A new feature of the prayer service is the discussion of the spiritual application of the Sunday school lesson. Those who attend are urged to bring written questions on the lesson.

The third quarterly conference or business session will be held the latter part of December. This will be a group conference with the seven churches of the Fishers, Noblesville circuit and Noblesville First, charges. It will be held at the Ninth street church, Noblesville and reports will be given by all Sunday schools, Ladies Aid's and other departments of

S S. Party

The True Blue Class of the Fishers M. E. Sunday school, held their regular meeting at the home of Mr. and Mrs. Max Reynolds on Thursday night November 19th. After the business was transacted, the evening was spent in various games and contests which were very much enjoyed by all. Delicious refreshments consisting of fruit salad with whipped cream, coconut, macaroons, and cocoa were served. The December meeting will be with Mr. and Mrs. Ed Rose.

Market

The Willing Workers held a market at Noblesville last Saturday. The proceeds netted thirty-seven dollars. These ladies wish to thank all who helped to make this market a success.

Birthday Surprise

A most complete surprise was planned and carried out on Mrs. B. F. Castetter, Sunday in honor of her birthday which occurred Thursday. The dinner was elegant, it being prepared by her daughters and Mrs. Victor Rigot. A birthday cake baked by Mrs. Irene Reynolds adorned the center of the table. The following guests enjoyed themselves in this home: Mr. and Mrs. Walter Ringer and family, Mr. and Mrs. Mac Reynolds and sons, Mr. and Mrs. Raymond Billhymer and family of Indianapolis, Mr. and Mrs. Estel Roberts and family of Indianapolis, Mr. and Mrs. L. J. Reinhardt of Indianapolis, Mr. and Mrs. V. L. Rigot, Mr. and Mrs. Mart Castetter and daughter, Miss Della May Norris, Miss Dorothy Poor and Mr. Vearlin Castetter of Kokomo.

S. S. Party

The Willing Workers were delightfully entertained at the beautiful country home of Mrs. Blanch Carries on Wednesday, November 11th. The house was decorated in flags as this was Armistice Day. The music was patriotic. Dainty refreshments were served. Favors were small American flags. The December meeting will be at the home of Mrs. Meg Trittipo.

Eastern Star Club.

The Eastern Star Club held their regular meeting at the home of Mrs. Press Clinton. Eight members and one visitor responded to the roll call. After the regular business session the

afternoon was spent in games and contests which were enjoyed by all. Delicious refreshments consisting of pumpkin pie, doughnuts, sweet cider and apples were served.

RECORD OF GRADES FOR THE LAST MONTH

Grades	Absences	Times Tardy
1	4	2
2	4	1
3	2½	11
4	9	2
5	14½	1
6	6	2
7	4	0
8	2	3
9	7	1
10	6	3
11	1	3
12	6¼	10

Parents, notice this record of absences and tardiness. Remember that your child can receive the most benefits from school only when he is present every minute of the time that school is in session. Let us see if we cannot have a better record next month.

The Knocker

When the creator had made all the good and beautiful things, in order that they might be truly appreciated, He then made the beasts and reptiles and poisonous insects.

When He had finished, He had left over scraps that were too bad to put in the Rattlesnake, the Hyena, the Scorpion, or the Skunk; so He placed all these together, covered it with Suspicion, wrapped it with Jealousy, marked it with a Yellow Streak, and called it a KNOCKER.

I IMAGINE

Mr. Rigot would make a good elevator to carry the boys up and down stairs.

Joe Johnson will make a good center for the second team.

Dorothy Emery's wedding is soon.

The winning side of the contest had a good time.

Friday "13" was an unlucky day for Castleton.

Mabel Perkins likes married life.

Howard Flanders will leave footprints on the sands of time.

SUPPOSED TO BE A SURPRISE PARTY

On Oct. 26, Mrs. Vina Ohler planned a birthday party on her son, Jack. Jack. Everything worked out all right until just before time for it, when a little bird told Jack about it. Of course this just about fixed everything. All of the Basket Ball boys were invited and Robert Abney was supposed to take Jack home. Well, when the time came to go home, Jack said he was going to stay at Fishers all night. Keith Emery and Robert loaded Jack into the machine and took him home. After every one got there the evening was spent in playing games. Later in the evening a chile supper was served.

The Commandments In Rhyme

Thou shalt love no other Gods but Me, Before no idol bow the knee, Take not the name of God in vain, Nor dare the Sabbath day profane, Give both thy parents honor due, Take heed that thou no murder do, Abstain from words and deeds unclean Nor steal though thou are poor and mean, Make not a wilful lie, nor love it, What is thy neighbor's do not covet. —Isaac Watts.

SOCIAL NEWS

Mr. and Mrs. John Kidwell have moved into the property of Frank R. Howe.

Miss Mary Frazier and Miss Mabel Hamble called on Miss Anna Howe, Monday evening.

Miss Alice Ringer spent Saturday night and Sunday with her grandparents, Mr. and Mrs. Frank Castetter.
