## WELL-KNOWN WOMAN DEAD AT AGE OF 70

Mrs. Elizabeth Hoss Lefforge, daughter of Jacob and Elizabeth Hoss was born at Oaklandon, Indiana, July 8, 1855, and departed this life February 27, 1926, age 70 years, 7 months and 19 days.

She was united in marriage to Marcus Lefforge, Jan 3, 1878. To this union were born ten children, nine of whom survive. They are, Nellie Estella, Otto, Edna, Mattie, Emma, Jesse, Elmer, Minnie, Vinnie and Leoma. Nellie Estella departed this life December 16, 1879, at the age of 14 months and 8 days.

Mother united with the Christian church in 1876 and was baptized in Fall Creek just back of the old home stead. She transferred her church membership to the Hope United Brethren church when it was first organized. Hope church became her church and the one in which she gave the greater part of her active service. She retained her membership with this church while it served the community, later, however, transferring it back to the Christian church at Oaklandon.

All but three years of her life were spent on the old homestead, 3 and one-half miles, north of Oaklandon, where she spent her quiet peaceful life as a devoted wife and mother and where she was well and favorably known.

She leaves to mourn her departure a loving husband, nine children, seventeen grandchildren, a brother, Willard Hoss of Indianapolis, and a host of other relatives and friends.

**Gone But Not Forgotten**  
A precious one from us has gone,  
A voice we loved is stilled,  
A place is vacant in our home,  
Which never can be filled.

In his wisdom has willed  
That his love has given  
And though the body slumbers here  
The soul is safe in heaven.

Though beneath our eyes she faded slowly

Growing day by day more frail,  
Bearing sweetly all her suffering  
Without a murmur or wail  
A loving mother, true and kind  
Her love on earth we cannot find  
For us she always did her best  
May God grant her Eternal rest.

## NOTES FROM ROOM II

There has been quite a little sickness this month. Helen Stewart, Mary Erney and Sophronia Elmore, have been absent the past week.

Those who have been neither tardy nor absent the whole year are Gladys Sutton, Milo Dodd and Chas. Askren.

Helen McRae entered the fourth grade this month. She came to us from an Indianapolis school.

Rosemary Castetter, from Detroit, Michigan and Martha Ellen Morris, from Refuge school entered the third grade.

Lloyd and Marion Wallace have moved near Kempton.

James Whitesell has moved to Castleton.

Alma Ford moved to Muncie.

We were very sorry to lose all these pupils, but are glad to welcome the new pupils.

The children of this room were pleasantly entertained during the opening exercise period, by the pupils of Mr. Clark's room, last Friday morning. Some excellent readings and a clever dialogue were presented.

Mr. Rigot operated the new stereopticon machine one morning and showed several interesting slides. We hope to use this machine quite often in Geography and Language work when the wiring is completed.

Mary Elizabeth Porter, Ruth Seymour, Max McGhehey, Pauline Crossley and Mirvin Carrier are the pupils from this room who have been taking lessons in Dramatic Art, of Miss Mildred George, of Arcadia. These children very creditably presented their numbers in the entertainment given by Miss George and her pupils March 11.

Bobbie Harrell, of Indianapolis visited us last Friday afternoon. Bobbie was in the third grade last year, but moved to Indianapolis before school opened this year.

## INFANT DIES OF PNEUMONIA

Little Beulah Bee, daughter of Archie and Leah Beaver, was born May 1, 1922, and was taken home, March 18, 1926, aged three years, nine months and seventeen days. Of so brief a life, little can be written. During all her life she had exceptional health. On Monday morning she developed a cold which was followed at once by pneumonia. In spite of the best efforts of physicians and nurse, she grew rapidly worse and after an illness of only a few days was taken from earth to Heaven.

Little Beulah came into this world a ray of sunshine. She was more than ordinary bright, seeming often to think beyond her years. She was of an affectionate disposition and naturally twined herself about the hearts of all who came in contact with her in the home. There remains behind to mourn their loss besides, the parents, one sister, Opal, two grandparents, several uncles, aunts and other relatives, together with many friends young and old who loved her.

The shock of her departure is great. But we know that she is in a land of sunshine—free from pain—happy with Christ—safe in the care and keeping of Him who said, "suffer little children to come unto me and forbid them not, for such is the kingdom of Heaven." We thank God that she was given to brighten our home for a few brief years and we have the knowledge that our parting need not be eternal.

## SENIOR CLASS PLAY

The Senior Class of Fishers High school will present the comedy "Discontented Mary," at "Noah's Ark" sometime during the last week in April. The cast of the play will be as follows:

Billy Abby, a young husband out of job—Charles Ray.

Mrs. Berdon, Mary's mother—Mildred Whelchel.

Sally Carter, Mary's bosom friend, —Anna Howe.

Harry Stephens, Sally's sweetheart, —Addison Harrison.

Burt Childs, Billy's friend—Jack Ohler.

Bobby Berdon, Mary's young nephew—Robert Abney.

Dolly Berdon, Mary's niece—Mary Castetter.

Katie, Abby's maid—Mary Frazier.

Danny Grub, an ice man, suitor to Katie,—Curtis Marks.

Murphy, policeman, Danny's rival—Quentin Kirkpatrick.

The scene opens with Billy arriving home without a job; a family quarrel ensues. Mary decides that she will take the job of providing for the household, while Billy becomes the house-keeper. Fun and humor are dominant throughout the play.

## VISITS SCHOOL

County Superintendent Chester F. Quear was a welcome visitor at our school Friday March 26.

Dorsey Dodd and Russel Howe were visitors at the High school Friday afternoon.

## S. S. PARTIES

The Willing Workers held a very pleasant meeting with Mrs. Emma Klepfer on Wednesday afternoon, March 10th. After an interesting study of the parables of the Door, the Good Shepherd, and the Straight Gate, and the Pharisee and the Publican, an enjoyable social hour was spent. Refreshments of pressed chicken, hot buttered rolls, pineapple salad angel food cake and mints were served. The April meeting will be with Mrs. Hal Smith.

The True Blue Class held their regular meeting with Rev. and Mrs. Borders on Thursday night. After the business session, games and contests were enjoyed, prizes were captured by Rev. Borders, Stanley Kinick and Ed Rose. Ice Cream, cake and coffee were served.

## COMMENCEMENT

The Commencement exercises of Fishers High School will be held in the Fishers M. E. church Wednesday evening May 5th.

Supt. Chester Quear will present both high school and grade diplomas.

## BACCALAUREATE SERVICES MAY 2.

Room 1 has received four new pupils the last month. They are William Gorrie and Analee McRae, of the second grade and Shirley McRae and Robert Castetter in the first grade.

Several pupils have been absent on account of colds.

The second grade is working on a Dutch project. A Dutch village was made for the sand table and they are very much interested in Kit and Kat the Dutch Twins story.

The first and second grades were delightfully entertained in Mrs. Longs room when Mr. Rigot showed the slides of the new picture machine. Slides touching all subjects were shown.

## Birthday Surprise

On March the 8th at seven o'clock Mr. and Mrs. Martin Castetter gave a surprise party in honor of their daughter's fifteenth birthday. The evening was spent in playing dominoes and other games which were enjoyed by all. Those present were: Mary Belle Frazier, Mabel Hamble, Alice Ringer, Foneta and Alwyn Randall, Freida and Paul Kirkpatrick, Marvin Dodd, Clarence Castetter, Roger Brizendine, Edward Humes, Hollis Nance, Austin Flanders, Mary and Harriet Harrison, Esther Messersmith.

## LYCEUM COURSE

The last number of the Lyceum Course was rendered Thursday night, March 11th. The program was given by Miss George's Dramatic Arts classes which consist of pupils from the entire school.

A larger crowd attended than has attended any other number of the course, probably because of fairer weather and then being home talent the people of the community were more interested.

We appreciate the work of Miss George and hope to have her with us next year.

Mrs. Frank Howe called on Mrs. B. L. Frazier Tuesday.

## CHURCH NOTES

The Fourth Quarterly Conference and business session for the Fisher's charge was held at the Fishers church Sunday night, March 14th. Dr. W. T. Arnold, District Superintendent, was present and preached. His inspiring sermon was followed by the communion service in which most of those participated. The business session followed. Officers for the coming year were nominated by the pastor and elected by the Quarterly Conference. Few changes were made in the official membership. Reports from each official were then presented. These were in most cases exceptionally good, indicating that the churches had advanced along all lines during the year. Mr. Burl Leonard, Mr. O. W. Fisher, and Mrs. A. V. Clawson were appointed as delegates to the laymen's session of the annual conference which will be held April 9th at New Castle.

A called meeting of the Woman's Foreign Missionary Society was held at the home of Mrs. I. E. Flanigan on Friday afternoon March 12th. Three present, making addresses and listening the work of the local society. They commented very favorably upon the work of this auxiliary. This society is not large in membership but has an unusually good record for work accomplished and for giving, per member.

A special Easter offering is to be taken over the charge this year, using Easter Crosses, each of which hold ten dimes. Each person is asked to contribute something and to fill the cross if possible. The proceeds of this offering goes to the world wide work of the church. The crosses are to be taken up at a special Easter service on Sunday, April 4th.

Easter Sunday will mark the close of the Conference year. On Wednesday after Easter will begin the session of the North Indiana Conference at New Castle. The session will continue until Monday April 12 at which time the appointments for the New year will be read. Several people from the local charge are expecting to attend conference during part of the session.

The revival meeting, which was announced for the three weeks preceding Easter, had to be discontinued on account of the illness of the pastor.

A Junior League will be organized in the Fishers Church under the leadership of Mrs. Leona McLaughlin, who was recently appointed Junior League Superintendent. This League will be composed of children under 14 and will meet for devotional and social services.

## CLASS VISITS BANK

On Wednesday, March 24th the Senior Class visited the Fishers' Bank. In Civics the class has been studying about money and currency and has found the subject most interesting. Mr. Rigot made an appointment with Mr. Butz, cashier of the bank, to show the class the details of banking. He showed the manner in which various accounts are taken care of, the kinds of money kept, and explained the value of the safety deposit vault. A number of questions were asked which Mr. Butz willingly answered. We thank Mr. Butz for his co-operation, and feel that this class has been of real value to us.

Levi—if you do it's in your wife's name.

**PLACER MINING**

In 1848 gold was discovered in California. There was a great rush of men across the states to the western coast.

When the men came to the foot of the Cascades and the Sierra Nevada they would often test the stream to see if there was any gold near.

To test the streams they must wash the gold in order to separate the gold from the gravel and sand.

This was done by running the deposits through long boxes. The gold is heavier than the gravel and sand and therefore sinks to the bottom of the long boxes and is caught and held behind the cross-bars.

Also some miners get the fine gold out of the sand and gravel of streams by putting the gold bearing gravel and sand in a pan that they used to get the gold with and they keep pouring water over the gravel and sand in the pan and they also keep shaking and twirling the pan until the gravel and sand is all washed out and the fine gold being heavier is left in the bottom of the pan.

If the miners thought they had found a rich vein they would "stake out a claim," sink shafts and make tunnels and start mining.

We also find gold in Alaska, Colorado, Nevada and South Dakota.

From gold they make jewelry and lots of other things. Gold is a soft metal and often a small quantity of copper is added to make it harder.

Fishers To Have New Tennis Court We have thought for some time that money spent on a tennis court would be a good investment.

One of the first problems to arise was that of location.

This was easily solved when the trustee consented to have one built on the back side of the school yard.

With this problem out of the way the next step was the securing of funds. This was accomplished by having a few people donate the use of their machines in taking care of some of the basket ball games away from home. The money thus saved was put into the tennis fund.

As soon as the weather will permit the grading will be done. The court is to be placed in the northeast corner of the school yard and will be entirely enclosed with a ten-foot fence.

We believe in tennis for the following reasons:

- 1. As a form of exercise it develops the whole body. 2. It may be strenuous or light. It may be played by two persons. 4. It is a game in which you may use your head as well as your hands and feet. 5. It offers a chance to show the spirit of fair play. 6. In a good match it is a real test of endurance. 7. It offers the opportunity for training in real sportsmanship.

Recently, Miss Helen Willis the champion of America met Miss Lenglen the champion of France. It was a great battle, but Helen went down in defeat at the hands of her more experienced opponent. With a smile she congratulated her rival. Miss

Lenglen fainted and then complained because some of the decisions did not suit her. They both showed their sportsmanship. Take your choice.

A Little Tennis Etiquette

- 1. Singles do not look well when there are enough to play doubles. 2. Even in doubles avoid the possibility of being called "court hogs." 3. If you lose in doubles do not always blame your partner. 4. Never refuse to play a stronger player. He may help you. 5. Never refuse to play a weaker player. You may help him. 6. It does not show good taste to question the decisions of your opponent. 7. A real tennis fan will help to keep the court in good shape.

Coach Kinnaman's basket ball team has not had a wholly successful season but it couldn't by any means be called a failure. The team's success has not only been in the winning of games but in their mental attitude shown their opponents. Along this line Emery has made an excellent showing and as a reward for this was awarded the prize for the best mental attitude in the county tourney.

The results of the past season are as follows:

The prospects of a good team next year are very good although it will be weakened quite a lot by the loss of Abney and Kirkpatrick who held the guard positions all the past season. H. Flanders and Johnson have one more year. Emery and Miller two, while the remainder of the team are Freshies. It is also being rumored that Garboden will return next year which would mean one of the guard positions filled. He would also have two more years.

On March the 12th the Fishers H. S. held their annual inter-school basket-ball Tournament at Harold's Gym. There were four teams whose captains were Quentin Kirkpatrick, Howard Flanders, Robert Abney and Curtis Marks. These were chosen to be Captains and to choose their players from the boys. All the boys in the H. S. took part in the tournament to enjoy the fun, and decide who would hold the crown of being champs of the school.

Each team was given a name. The first game was between Howard Flanders' team the "All State Team" and Quentin Kirkpatrick's team the "Red Devils." The game started off with a bang and the Red Devils began to make the score board register. The all state Team couldn't get their passing to working right, and wanted to pass too long which couldn't get past the Red Devils' defense. Both teams did good guarding and the game was exciting. The Red Devils winning by a score of 24 to 17.

The next game was between Curtis Mark's team, "The Dingbat Dash-hous," and Robert Abney's team, "The Battle Axes." The game started off with the Dingbats taking on an early lead and keeping it throughout the game Some how the Battle axes

couldn't get connected with goal and missed several shots at the basket. The game ended in the Dingbats favor by a score of 24-14.

This sent the Red Devils and Dingbats to the final game of the evening. The Red Devils started off fast and soon had a good lead. But the Dingbats kept pecking away at the Red Devils defense, but couldn't get through. Registering several long shots, at the half the Red Devils were ahead by a few points. The second half started off fast and furious and continued until Emery was fouled and put out of the game on personals. This weakened the Red Devils team. Marks put on enough steam to make a few baskets which Kirkpatrick followed with some long goal shooting for the Red Devils. But the game ended in the Dingbats favor by a score of 25 to 19.

Austin Flanders of the Dingbats team received the prize for the best mental attitude player throughout the tournament.

Arrows Lost In Tourney The Fishers' Red Arrows who were fortunate enough to go to the state Independent tourney were defeated by the Gary Mechanics in their second game. Everyone seemed to be off form in this last game. The Brownsburg quintet won the State defeating the Ramblers of Indianapolis in the final game.

Base Ball Last Wednesday night a meeting was held in the K. of P. hall in favor of the base ball team for the coming season. No definite players were picked as that will come in the future try-out. They have planned for new suits which will improve their appearances.

It seems to be a problem for the boys to obtain diamonds near or around Fishers which will be a draw back.

This team has planned to go under the name of the Red Arrows. They are also soliciting games now.

The Track Meet The annual track meet which has been one of the counties best sports is to be held this year at Westfield. The Fishers teams have always represented the school with many winners. This year they expect to come home with a clear score which will take much practice. Preparations are being made to prepre a track. Pole vaulting, shot-put, high and broad jump and running, are to be entries. Many students are going to participate.

"BUT HE AIN'T WENT YIT" By Henry S. Wood Every little while they tell us that the horse has got to go; First the trolley was invented 'cause the horses went so slow, And they told us that we'd better not keep raisin' colts no more, When the street cars got nothing that the horses pulled before. I thought it was all over for old Fan and Dot and Kit; S'posed the horse was up and done for, "But he ain't went yit!" Then they got the horseless carriage, And they said the horse was done, And the story's been repeated twenty times by Edison; Every time he gets another of his batteries to go He comes whoopin' out to tell that the horse don't stand a show— And you'd think to see these chauffeurs, As they go a chaufferin', it was good-bye to Mr. Dobbin, "But he ain't went yit!" When the people git to flying in the air, I s'pose they'll say, As we long have been a-sayin', that the horse has had his day; And I s'pose that some old feller just about like me'll stand, Where it's safe, and watch the horse hauling stuff across the land; And he'll mebbe think as I do, while the crows above him flit, Oh, they say the horse is done for, "But he ain't went yit!"
